Transport Repair

Customer Wow

“ One of our truck meters was down on a **Saturday afternoon**, we called Westmor and he told us to meet him at the shop. The fact that he was **willing** to come in on his weekend off to **service** our truck is a **huge deal**. ”

Service and Repair

Just a Call Away

Customer Wow

“ Westmor has really been **good** to us for **service**. We call them if we are in a bind. They usually try to find us a spot **right away** so we can get in there and get it fixed. We are **really pleased** with Westmor on that. ”
